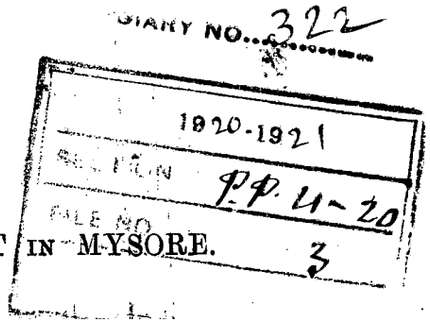
CONFIDENTIAL. No. 5765



From

MAJOR C. T. C. PLOWDEN, I. A.,
FIRST ASSISTANT TO THE RESIDENT IN MYSORE.

To

The Chief Secretary to the Government of
His Highness the Maharaja of Mysore.

Dated Bangalore, 6th July 1920

SIR,

I am directed to communicate the following confidential instructions with reference to precautionary police measures to be taken during the forthcoming tour in India of His Royal Highness the Prince of Wales.

2. In British India the Local Governments are responsible for His Royal Highness' personal safety during his passage through, and during his stay within, the limits of their jurisdiction. When His Royal Highness passes the limits of any Local Government there should in each case be a formal transfer of charge from a responsible officer of the one Government to a responsible officer of the other, so that there may be no possibility of doubt as to where the responsibility of the one ceases and of the other begins. The responsibility of a Local Government will not cease until formal charge has been made over to and accepted by, the authorities of the neighbouring Govern-

ment

(5

Government in the manner above described.

3. It is essential that there should be no hiatus between the measures taken in British India and those adopted in the Native States which His Royal Highness will visit, and I am therefore to request that the Mysore Durbar will be so good as to make similar arrangements to ensure the safety of His Royal Highness during his stay in Mysore Territory. The District Superintendent of Police, Civil and Military Station of Bangalore will be in charge of the Prince's party during His Royal Highness' stay in Bangalore and during his journey on railway lines over which jurisdiction has been ceded to the British Government and I am to suggest that the Inspector General of Police, Mysore, should himself remain on duty with the Prince's party during the remaining portion of his stay in Mysore Territory, and should receive from and make over to Mr. Clinch the necessary transfer of charge.

The state... a fair... the Province... in the reception of the Royalty.

4. With a view to assit and advise local officers, it has been decided to appoint Mr. D. Petrie, C.I.E., C.B.E., of the Indian Police, to travel with His Royal Highness throughout the whole period of his stay in India. Mr. Petrie will act as liaison officer between the Director, Central Intelligence, the local authorities and the Prince's Staff and will be responsible for seeing that all necessary precautions are taken to ensure His Royal Highness' safety. He will travel in the supplementary train which will start from half an hour to two hours ahead of the Royal train.

5. I am to add that it is advisable that the Durbar Police authorities should place themselves in communication through the Residency. with the Director, central Intelligence, with a view to keeping him informed of their arrangements in this matter.

6. I am to ask that the name of the officer who will take charge of the above arrangements may kindly be intimated to the

Residency.
